Canvas Support

HOW DO I GET HELP WITH CANVAS AS A STUDENT?

You can get help with Canvas by using the Help menu on the Global Navigation. The Help menu generates a list of resources to help you with Canvas.

Open Help and View Links

At the bottom of Global Navigation, click the Help link.

The following Help options are available to you:

1. **Ask your Teacher a Question**: Ask your teacher questions about course material or send them a message.

2. **Search the Canvas Guides**: Search the Canvas Guides for information and video resources about using features inside of Canvas.

3. **Report a Problem**: Submit problems with Canvas to our support team.

4. **Submit a Feature Idea**: Submit ideas about how to make Canvas better.
