Interested in Bush Kinder and learning on country?

**Come and explore?**
Mt Nelson’s Sustainability Learning Centre surrounded by 65 hectares of beautiful bush habitat - just perfect for on country exploring, wondering, being active, building, collecting and observing.

**Want to understand more about the bush in a culturally responsive way by learning alongside Aboriginal people?**

**Do you believe outdoor play in nature makes children healthier, happier and smarter?**

**Interested in becoming part of regular bush kinder group?**

**Participate in the SLC’s**

**Monday Bush Kinder program**
All families and carers welcome!
